CSTU LEARNING RESOURCES TRAINING

CALIFORNIA SCIENCE AND TECHNOLOGY UNIVERSITY

DR. PEIJUN ZHENG

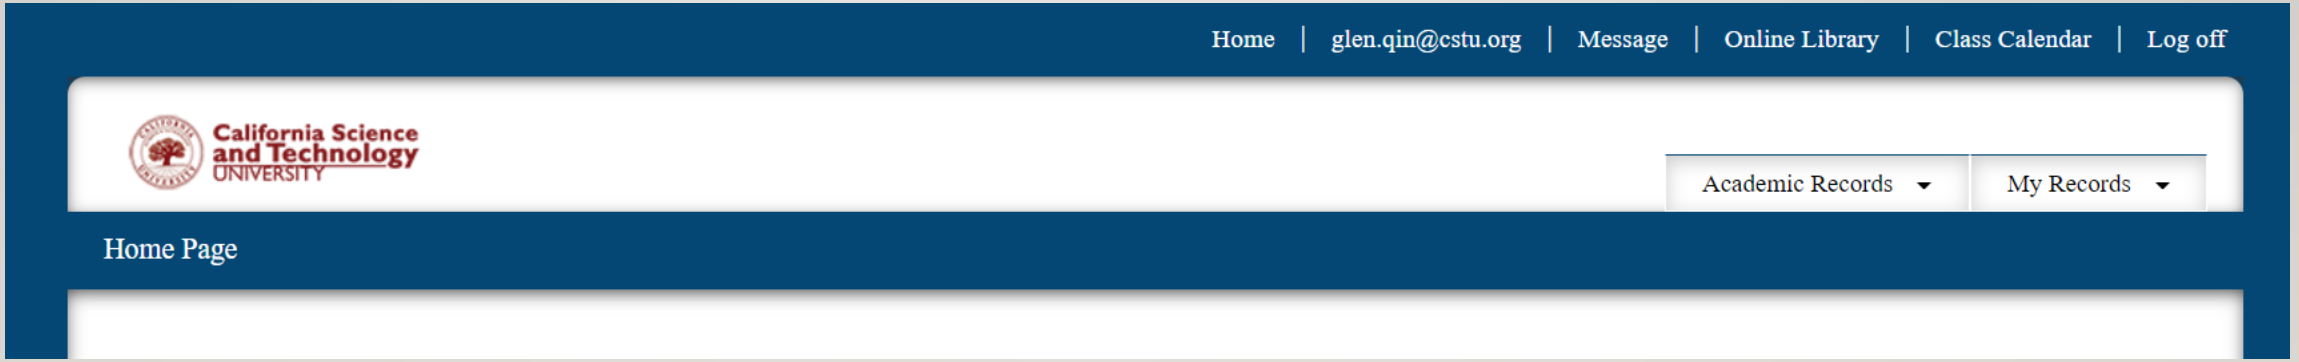
6/1/2021

CSTU LIBRARY INTRODUCTION

- The faculty and students are provided access to Gale resources for the following subjects:
  - Computer Science Collection, Computer and Information Systems Abstracts, Computer Science Journals, etc.
  - Business, Economics and Theory, and Entrepreneurship
- The students are expected to fully utilize the Gale library database: Gale foundation when addressing discussion questions, written assignments, course research projects (CRPs), and capstone projects.

EFFECTIVE USE OF LIRN

- **Getting Started by login into your CSTU campus management account**
- **Click on the online library**



LIRN PAPER SEARCHING

- Sample Paper Search
  - Choose subject view
  - Choose computer science
  - In the search frame, type “machine learning”
- The following screenshots show the steps and search results

Hillstone Networks Unveils Its New StoneOS Solution.

Date: Jan. 21, 2022

From: Wireless News
Publisher: Close-Up Media, Inc.

Document Type: Brief article
Length: 312 words

Hillstone Networks introduced the latest iteration of its flagship StoneOS solution.

"Organizations today demand a comprehensive, intelligent, high-performing and automated security solution that works. StoneOS delivers," said Tim Liu, CTO & co-founder of Hillstone Networks. "This is a major upgrade resulting in unparalleled capabilities to help protect organizations, their critical assets and their workforces from the myriad of security threats they face every day."
